

Text a Smile

Dear Parent

**Have you ever left your child at nursery
and worried if they have settled?**

Siblings Private Nursery introduced 'Text-a-Smile' in 2007 and it is a huge success. It was designed to help put your mind at rest when leaving your child at nursery. We can send you a text of your child showing you that they have settled and are enjoying their time at nursery. You can then relax and get on with the rest of your day without worry.
